The vision of Anna Yates Elementary is to provide a rigorous instructional program that develops the whole child in a safe and nurturing environment in partnership with home, school and community.

Greetings,

We are approaching the last days of school and I am thrilled, once again by the hard work and diligence students have demonstrated over this past school year. The focus on creating a college-going culture, writing, character education, and leadership building among students has proven to be successful! If you walk into any Anna Yates classroom you will observe a variety of student writings; friendly letters, letters to congressmen, research papers, poetry, and memoirs. If you walk on the yard during recess you will observe students working with peacemaker to help them solve problems peacefully. I am proud of the students, teachers and staff for making it another great year. Thank you, Anna Yates families and friends for your support. Have a great summer!

-Jaguanana Lathan, Principal

BOOKS

Please return all Anna Yates library books and classroom books by Monday, June 14, 2010. Classroom books should be returned to the classroom teachers and library books should be turned in to the main office.

LOST AND FOUND

Lost and found articles that are not picked up by the last day of school will be donated to families in need of children's coats and clothing articles.
