Principal's Message

The vision of Anna Yates Elementary is to provide a rigorous instructional program that develops the whole child in a safe and nurturing environment in partnership with home, school and community. Anna Yates is a small school, serving more than 400 students from kindergarten to sixth grade. We are organized into small learning communities where teachers work in grade-level collaborations and share their experience and strengths to ensure that all students receive the same curriculum and quality instruction. We also have specialized instructional support and training for our teachers in math, literacy, English language learning, and social equity so that every child receives the best possible opportunity for learning, growing, and experiences success.

Every student receives intensive instruction in English language arts and mathematics from teachers who have undergone special training in teaching these subjects. In addition, third through sixth grade students have science laboratory experience twice a week to research and explore state-adopted science standards. Students are also able to participate in the school's garden and nutrition. Anna Yates is also an arts integration school, offering visual arts, band, and Indian dance. Through our teaching staff, grant programs, and business and community volunteers, our students enjoy after school classes and clubs in visual and performing arts, sports and homework. Anna Yates has a full service library and computer lab where skills and curriculum are reinforced for kindergartners through sixth graders. Our school also has an invaluable partnership with the Emeryville Recreation Department that offers high quality educational and recreational activities that support and enhance our curriculum.

Anna Yates has a dedicated Parent Teacher Organization and Dad's Club. Both parent organizations participate in fundraising, volunteering in classrooms, and hosting family events. "Creating a sense of family" is a guiding principle that we strongly uphold. Students loop with their classroom teacher for two years. This allows our students and teachers to cultivate a sense of family and community, all the while allowing the teachers to gain great insight and meet the educational and social needs of the students.

Anna Yates is fortunate to have a strong commitment from our parents and the Emeryville business community who donate money, time, and other resources to support our teaching staff and students. We are very grateful for the invaluable help and we recognize and appreciate this as a very unique situation.

District Vision Statement

Our Vision and Purpose

The Emery Unified School District is committed to provide to each student a rigorous education in a welcoming, safe school environment that supports student learning and where there is tolerance, respect and engagement with people from different cultures, backgrounds, and beliefs.

Our Guiding Principles

- We hold high academic, social and professional expectations
- We create a sense of family
- We inspire and support innovation to end racist and classist practices

Our Goals for All Students

- All students will improve their academic performance each year
- All students will be prepared for college and university studies
- All students will experience a successful internship before they graduate
- All students will exhibit strong critical thinking, problem solving, and creative skills
- All students will demonstrate leadership skills and participate in community and public service
- All students will exhibit advocacy for justice and principles that respect the dignity of all persons
- All students will be fluent in a second language

Contact Information

Parents or community members who wish to participate in leadership teams, school committees, school activities, or become a volunteer may contact Anna Yates Elementary at (510) 601-4000 Ext. 1. The district's website www.emeryusd.k12.ca.us provides a variety of resources for parents, students and community members.

Community & School Profile

Emeryville is a 1.2 square mile, bustling urban city in the heart of the San Francisco Area, wedged between Berkeley, Oakland, and the Bay. Not unlike most Bay Area cities, the population of 9,000 residents and workforce of 25,000 daily commuters is divided culturally, ethnically, economically, and geographically.

Emery Unified School District (EUSD) had a total enrollment of 815 students during the 2007-08 school year. The district is made up of two schools, Anna Yates Elementary (K-6) and Emery Secondary School (7-12). 80% of Emery Unified's students live in poverty and 13% are English learners. Couple our demographics with the recent crisis of bankruptcy and state takeover of EUSD, we are a community with deep challenges and an exciting opportunity.

Emery schools have made remarkable academic growth, noted repeatedly as the highest of the 18 districts in Alameda County as measured by the increase in the state Academic Performance Index, which has shot up 68 points, the largest improvement in test scores of any district in Alameda County. Emery has developed academic intervention courses, after school and summer opportunities, and a rich variety of visual and performing arts.

During the 2007-08 school year, 432 K-6th grade students were enrolled at Anna Yates Elementary, with classes arranged on a traditional schedule. Student body demographics are shown in the chart.

Discipline & Climate for Learning

Anna Yates Elementary School believes that meaningful learning must occur in a safe, disciplined, and positive environment. Students at Anna Yates Elementary School are guided by specific rules and classroom expectations that promote respect, cooperation, courtesy, and acceptance of others.

The goal of Anna Yates Elementary School's second step discipline program is to provide students with opportunities to learn self-discipline through a system of consistent rewards and consequences for their behavior. Parents and students are informed of discipline policies at the beginning of each school year through the Student and Parent Handbook. The school sends out monthly news letters. Students that have attendance problems, discipline issues or slipping grades have additional parent meetings scheduled to find viable solutions.

The suspensions and expulsions table illustrates total cases for the school and district at all grade levels, as well as the percentage of total enrollment (number of suspensions divided by total enrollment). Suspensions and expulsions are expressed in terms of total infractions, not total number of students, as some students may have been suspended on multiple occasions. Expulsions occur only when required by law or when all other alternatives have been exhausted.

	Suspensions & Expulsions					
	School			District		
	05-06	06-07	07-08	05-06	06-07	07-08

Expulsions	0	0	1	0	1	1
Expulsion Rate	0.0%	0.0%	0.2%	0.0%	0.1%	0.1%

Recognition Programs

A well-developed student recognition program contributes to the positive environment at Anna Yates Elementary. The program includes recognition of all students who are attaining academic excellence and improving academic achievement, attitude, and attendance. Students who demonstrate positive life skills, such as kindness and honesty, will receive a pencil and certificate at the end of each week. Teachers also choose students, who show exceptional academic achievement and attitude, to become Student of the Week.

Extracurricular Activities & Athletics

Students are encouraged to participate in the school's additional academic and extracurricular activities, which are an integral part of the educational program. Extracurricular activities and clubs include, but are not limited to, the following:

- Music
- Art
- Dance
- Library Club
- Computer Lab
- Science Lab

School Enrollment & Attendance

Regular attendance and punctuality are necessary parts of the learning process and are critical to academic success. In addition, school districts receive financial support from the state for the education of the students they serve based on how many students attend each day. Attendance, tardy, and truancy policies are clearly stated, consistently enforced, and consequences fairly administered. Parents are advised of their responsibilities including notification of when and why students are absent.

Regular daily attendance is a priority at Anna Yates Elementary School. Absence reports are regularly reviewed by the school's secretary. Parents are advised of absences through live phone calls, automated phone calls, and letters. Those students who continue to exhibit excessive absences are directed to the appropriate authorities including the School Attendance Review Board.

The chart illustrates the enrollment trend by grade level for the past three school years.

Class Size Reduction

In 1996, state legislature approved implementation of the Class Size Reduction (CSR) program that provides funding to hire additional teachers to assist schools in reducing K-3 class sizes. Anna Yates Elementary began implementing CSR for grades kindergarten through three in 1996-1997. The table displays the percentage of K-3 classrooms that participated in CSR for the past three school years.

Curriculum Development

All curriculum development in the Emery Unified School District is based on the California State Content Standards and Frameworks. Curriculum guides are updated regularly by the principals and teachers to align with the state standards, district goals, and the statewide assessment program. During the 2007-08 school year, there were not any changes to the curriculum.

Textbooks & Instructional Materials

Emery Unified School District held a public hearing on October 17th, 2007, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of *Williams vs. the State of California*. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption.

The table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school.

Library Information

The school's library, staffed by a full-time librarian, provides an extensive variety of reference and special interest materials, in addition to hundreds of educational and recreational books. Students visit the library on a weekly basis with their classes and are encouraged to visit before and after school. Two computer workstations within the library are connected to the Internet so students are able to access resources and information online.

Computer Resources

All classrooms have at least three computers that are connected to the Internet. Anna Yates Elementary also has a computer lab with 32 computers. The computer lab is staffed by the part-time technology assistant. Computer skills and concepts are integrated throughout standard curriculum which helps to prepare students for technological growth and other opportunities.

Additional Internet Access/Public Libraries

For additional research materials and Internet availability, students are encouraged to visit the Alameda County Public Libraries which contain numerous computer workstations. More information can be found at www.aclibrary.org.

Parent Involvement

Anna Yates Elementary School realizes the positive correlation between parent involvement and successful students. For this reason, Anna Yates continually searches for avenues to involve parents and community to participate in the education of our students.

Anna Yates Elementary School is committed to encouraging a strong parent-staff bond. This mutual involvement will help to promote the social, emotional and academic growth of the students. The entire staff is available to lend guidance, answer questions and provide assistance whenever the need arises.

Anna Yates is convinced that much of its success is the product of parent volunteers who take an active role in their children's education. The Parent Teacher Organization (PTO) is charged with the responsibility of supporting the welfare of all students. Also, it provides additional financial support to various school functions, through annual fundraisers.

The Emery Education Foundation provides community partnerships with many local and non-local businesses.

California Standards Test

The California Standards Test (CST), a component of the STAR Program, is administered to all students in the spring to assess student performance in relation to the State Content Standards. Student scores are reported as performance levels: Advanced (exceeds state standards), Proficient (meets standards), Basic (approaching standards), Below Basic (below standards), and Far Below Basic (well below standards). The combined percentage of students scoring at the Proficient and Advanced levels in English/Language Arts, Math, Social Science, Science, for the most recent three-year period, is shown. Summative scores are not available for Math (grades 8-11), Science (available for grades 5 and 8 only), and grade 9 Social Science. For results on course specific tests, please see <http://star.cde.ca.gov>.

Federal Intervention Program

Schools and districts receiving Federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (English/Language Arts or Mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP.

Academic Performance Index

The Academic Performance Index (API) is a score on a scale of 200 to 1,000 that annually measures the academic performance and progress of individual schools in California. The state has set 800 as the API score that schools should strive to meet.

Statewide Rank: Schools receiving an API Base score are ranked in ten categories of equal size (deciles) from 1 (lowest) to 10 (highest), according to type of school (elementary, middle, or high school).

Similar Schools Rank: Schools also receive a ranking that compares that school to 100 other schools with similar demographic characteristics. Each set of 100 schools is ranked by API score from 1 (lowest) to 10 (highest) to indicate how well the school performed compared to similar schools.

Adequate Yearly Progress

No Child Left Behind (NCLB) is a federal law enacted in January 2002 that reauthorized the Elementary and Secondary Education Act (ESEA). It mandates that all students (including students who are economically disadvantaged, are from racial or ethnic minority groups, have disabilities, or have limited English proficiency) in all grades meet the state academic achievement standards for Mathematics and English/Language Arts by 2014. Schools must demonstrate "Adequate Yearly Progress" (AYP) toward achieving that goal. The Federal NCLB Act requires that all schools and districts meet the following Adequate Yearly Progress (AYP) requirements:

- Participation rate on the state's standards-based assessments in English/Language Arts (ELA) and Mathematics.
- Percent proficient on the state's standards-based assessments in ELA and Mathematics.
- API as an additional indicator.
- Graduation rate (for secondary schools).

There are several consequences for schools that do not meet the AYP standards, including additional tutoring and replacing of staff. Students would also be allowed to transfer to schools (within their district) that have met their AYP, and the former school would be required to provide the transportation to the new site. Results of school and district performance are displayed in the chart.

Adequate Yearly Progress (AYP)				
Made AYP Overall	School		District	
	English - Language Arts	Mathematics	English - Language Arts	Mathematics
Met AYP Criteria	Yes	Yes	Yes	Yes
Participation Rate	Yes	Yes	No	No
API School Results	Yes		Yes	
Graduation Rate	N/A		Yes	

Physical Fitness

In the spring of each year, Anna Yates Elementary is required by the state to administer a physical fitness test to all students in grades five. The physical fitness test measures each student's ability to perform fitness tasks in six major areas: Aerobic Capacity, Body Composition, Trunk Extension Strength, Abdominal Strength, Upper Body Strength, and Flexibility. Students who either meet or exceed the standards in all six fitness areas are considered to be physically fit or in the "healthy fitness zone" (HFZ). *Scores were not available at the time of publication.*

Teacher Assignment

Emery Unified School District recruits and employs the most qualified credentialed teachers. For the 2007-08 school year, Anna Yates Elementary had 20 fully credentialed teachers who met all credential requirements in accordance with State of California guidelines.

	Teacher Credential Status			
	School			District
	05-06	06-07	07-08	07-08
Fully Credentialed	21	21	20	46
Without Full Credentials	0	0	0	1

Teacher misassignments reflect the number of placements within a school for which the certificated employee in the teaching or services position (including positions that involve teaching English Learners) does not hold a legally recognized certificate or credential. Teacher vacancies reflect the number of positions to which a single designated certificated employee has not been assigned at the beginning of the year for an entire year.

Vacant Teacher Positions	0	0	0

Highly Qualified Teachers

The Federal No Child Left Behind Act requires that all teachers in core subject areas meet certain requirements in order to be considered as "Highly Qualified" no later than the end of the 2006-07 school year. Minimum qualifications include: possession of a Bachelor's Degree, possession of an appropriate California teaching credential, and demonstrated competence in core academic subjects.

Counseling & Support Sta

It is the goal of Anna Yates Elementary to assist students in their social and personal development as well as academics. The school gives special attention to students who experience achievement problems, difficulty coping with personal and family problems, trouble with decision making, or handling peer pressure. The counselor to pupil ratio is 1:436. The table lists the support service personnel available at Anna Yates Elementary.

Anna Yates Elementary School teachers are sensitive to the unique needs of English Language Learner (ELL) students. ELL students are identified early and placed in classrooms where the teacher possesses the necessary certification for second language instruction (e.g. CLAD). All ELL students partake in at least 120 minutes of English Language Development per week.

Special Day Classes (SDC) are available for students with mild to moderate learning disabilities and severe handicaps.

Sta Development

As part of the growth process, opportunities for training and staff development are provided at both the district and individual school sites to administrators, teachers, and classified staff. The district offers 9 staff development "buy-back" days annually where staff members are offered professional growth opportunities in curriculum, teaching strategies, and methodologies.

School Leadership

Leadership at Anna Yates Elementary is a responsibility shared between district administration, the principal, instructional staff, students, and parents. The district's emphasis is on a well-balanced and rigorous core curriculum at all grade levels. Instructional programs are aligned with state and district standards. 2008-09 marks the first year leadership duties were assumed by Principal Jaguanana Lathan. Principal Lathan has nine years of total experience in education with seven years spent teaching and two years as vice-principal. Staff members and parents participate on various committees that make decisions regarding the priorities and direction of the educational plan to ensure instructional programs are consistent with students' needs and comply with district goals. Leadership teams include the Instructional Leadership Team and the Parent Teacher Organization.

School Facilities & Safety

Anna Yates Elementary was originally constructed in 1960 and is comprised of 19 classrooms, a multipurpose room/cafeteria, a library, a staff lounge, a computer lab, and two playgrounds. Recent remodeling included a new outdoor art patio.

Safety

The safety of students and staff is a primary concern of Anna Yates Elementary School. Visitors are required to check in at the school office upon arrival and required to return to the school office upon departure. During lunch, recesses, and before and after school, the principal, teachers, parent volunteers, and the sports-for-kids coach oversee students and school grounds, including the cafeteria and playgrounds, to ensure a safe and orderly environment.

The comprehensive Safe School Plan was developed by the district to comply with Senate Bill 187 (SB 187) of 1997. The plan provides students and staff a means of ensuring a safe and orderly learning environment. Each school includes the following requirements of SB 187 within their safe school plans: current status of school crime; child abuse reporting procedures; disaster procedures, routine and emergency; policies related to suspension and expulsion; notification to teachers; sexual harassment policy; provision of a school-wide dress code; safe ingress and egress of pupils, parents, and school employees; safe and orderly school environment; and school rules and procedures. The school evaluates, updates, and reviews the plan with school and district staff in the fall, at the start of each school year.

Cleaning Process

The principal works daily with the full time custodian and the district custodian to ensure that the cleaning of the school is maintained to provide for a clean and safe school. The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards are available at the district office for review.

Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and work orders are completed in a timely manner. A work order process is used to ensure efficient service and highest priority are given to emergency repairs. *The facilities report was not available at the time of publishing.*

Data Sources

Data within the SARC was provided by Emery Unified School District, retrieved from the 2007-08 SARC template, and/or located on Dataquest (<http://data1.cde.ca.gov/dataquest>). Dataquest is a search engine, maintained by the California Department of Education (CDE), which allows the public to search for facts and figures pertaining to schools and districts throughout the state. Among the data available, parents and community may find information about school performance, test scores, student demographics, staffing, and student misconduct/intervention.
